BIOGRAPHY

Baddie isn't just a Twitch streamer—he's the chaotic best friend you didn't know you needed. A former Army sniper turned full-time creator, he brings high-energy humor, unfiltered storytelling, and 110% effort to everything he does. Whether he's screaming through Escape from Tarkov, brewing wild Magic: The Gathering decks, or diving into late-night D&D chaos, every stream feels like a hangout with your funniest (and most unpredictable) buddy. His community shows up for the honesty, the nerdy vibes, and his knack for turning everyday moments into unforgettable ones. Sponsors love him because he's real, relatable, hilarious, and someone fans genuinely trust.
